60 Million
Hours of Care
Annually

Government can't solve this alone.

How we Provide Care

**Person-Centered &
Relationship-Based**

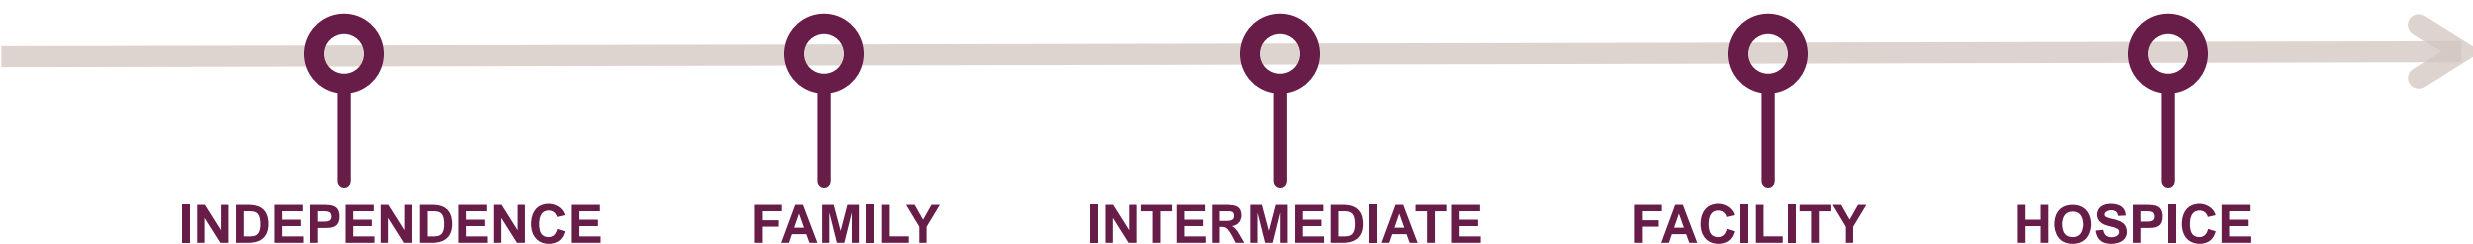

**Specific Focus on
Alzheimer's and
Other Dementias**

**Care for the
Family Caregiver**

Care Model

Home care supplements traditional senior care and supports a new and more efficient care model

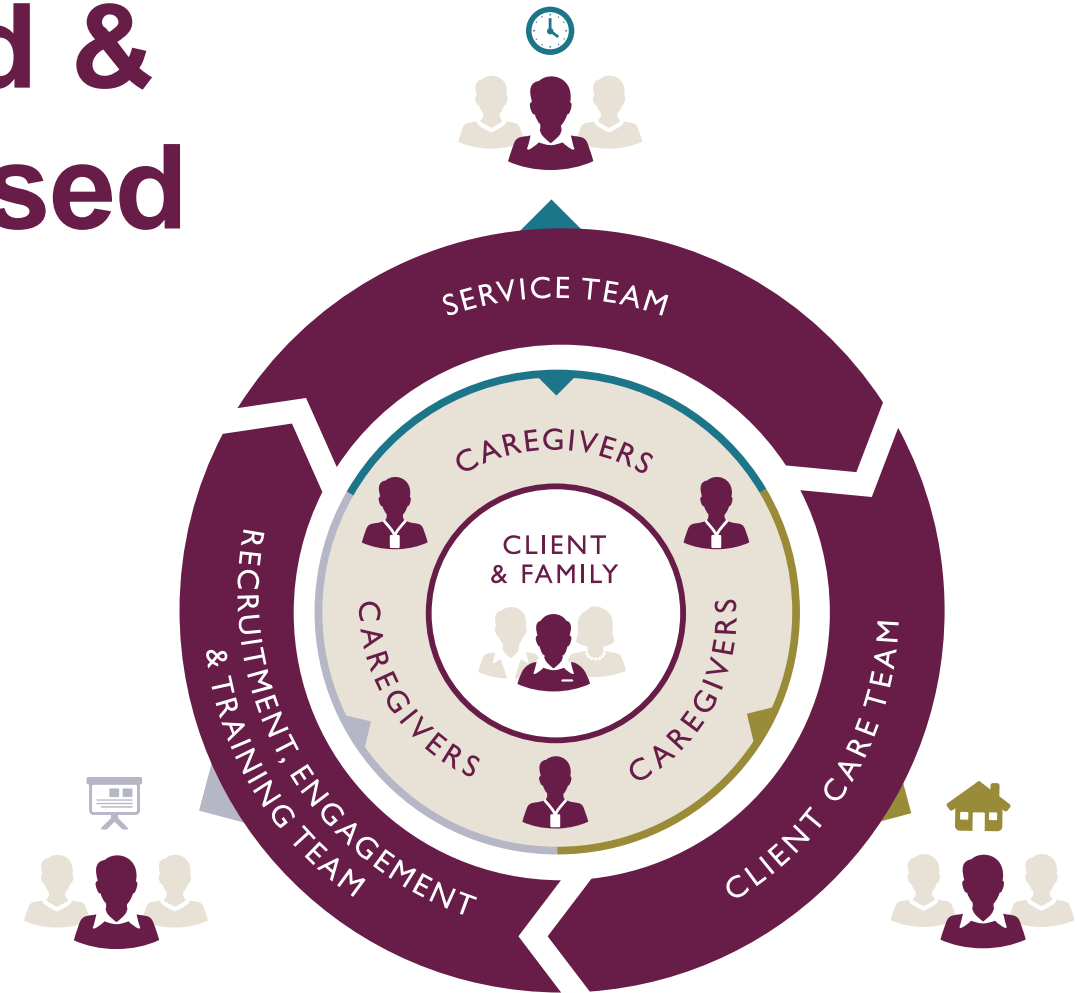

In-home care can be applied at any interval across the care continuum.

Person-Centered & Relationship-Based

- 90% of seniors prefer to live at home as they age*
- Focus on relationships, not tasks
- Personalized care solutions, including care coordination

Quality Home Care

1

24/7 Service and contact.

2

Same day consultation and service.

3

1-to-1 CAREGiver matching to client preferences.

4

Weekly client communication.

5

On-line family portal.

Quality Home Care

- 6 Compassionate & patient CAREGivers.
- 7 Ongoing education and training.
- 8 GPS tracking and real time shift reports.
- 9 Regular quality assurance reviews.
