

Patients/ Clients Influencing National Safety Agenda

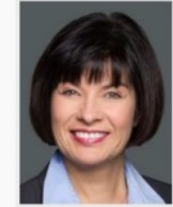

Ioana Cristina Popescu

Senior Program Manager, Canadian Patient Safety Institute
October 22, 2018; Homecare Summit

Minister

The Honourable Ginette
Petitpas Taylor
Minister of Health

Management

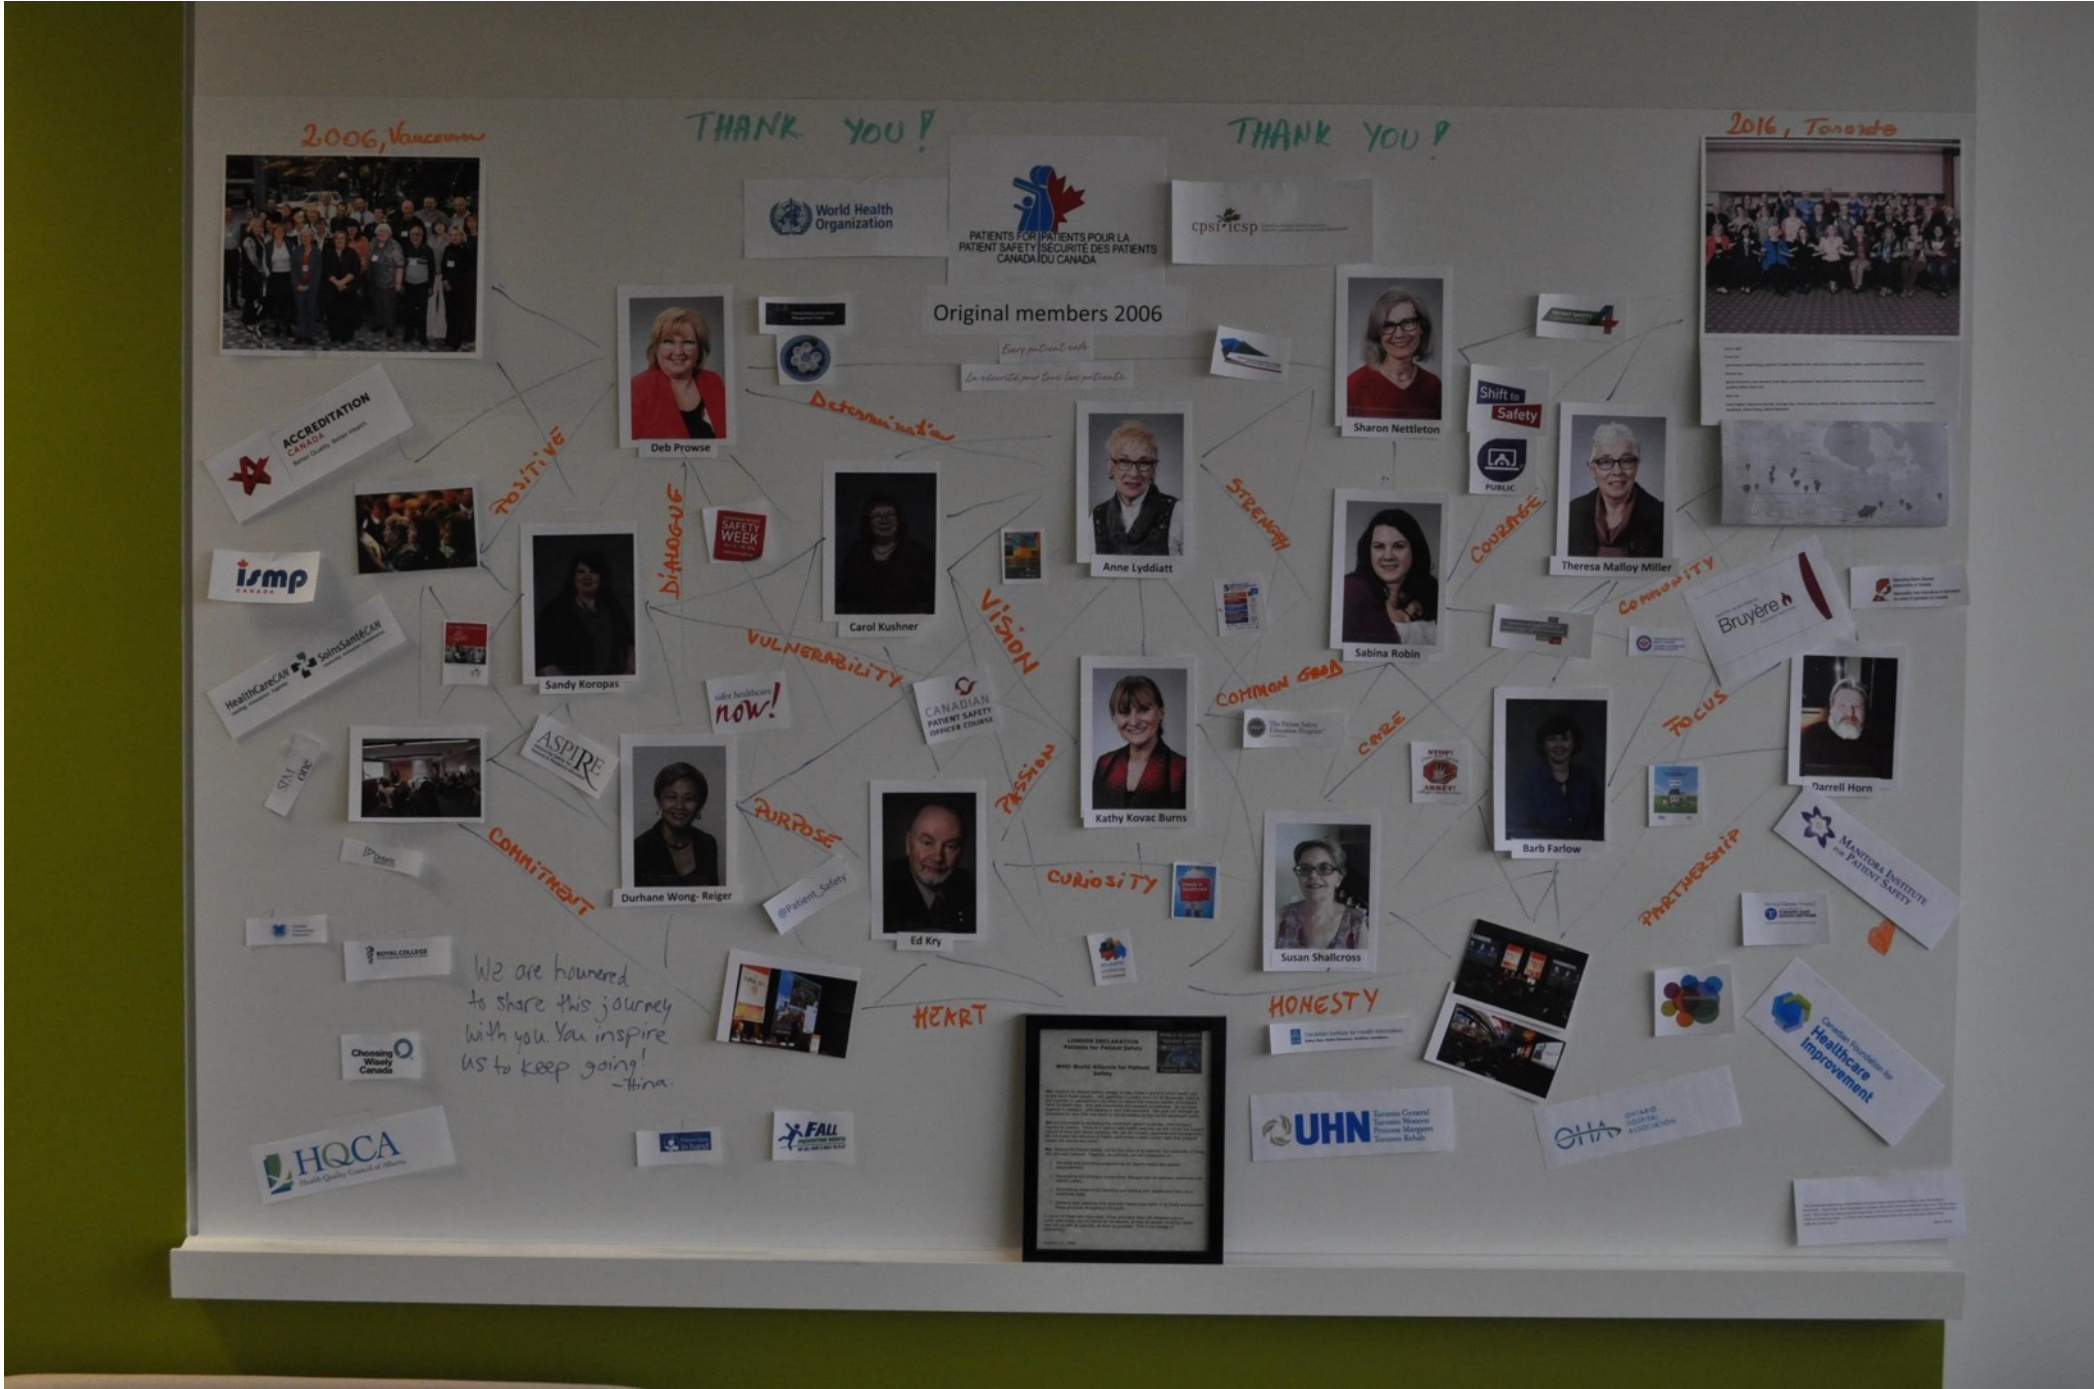

Simon Kennedy
Deputy Minister

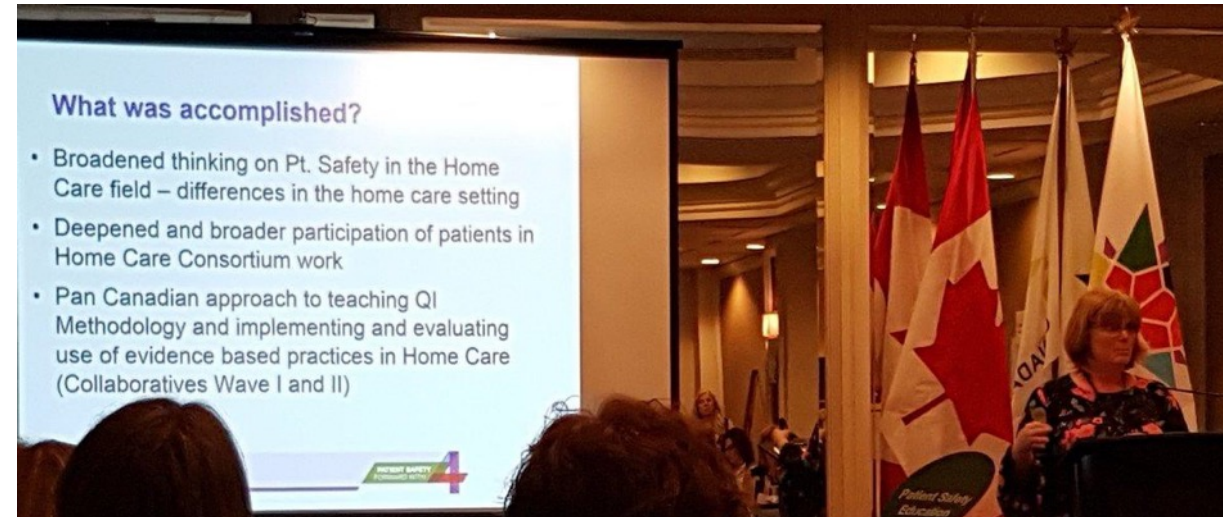

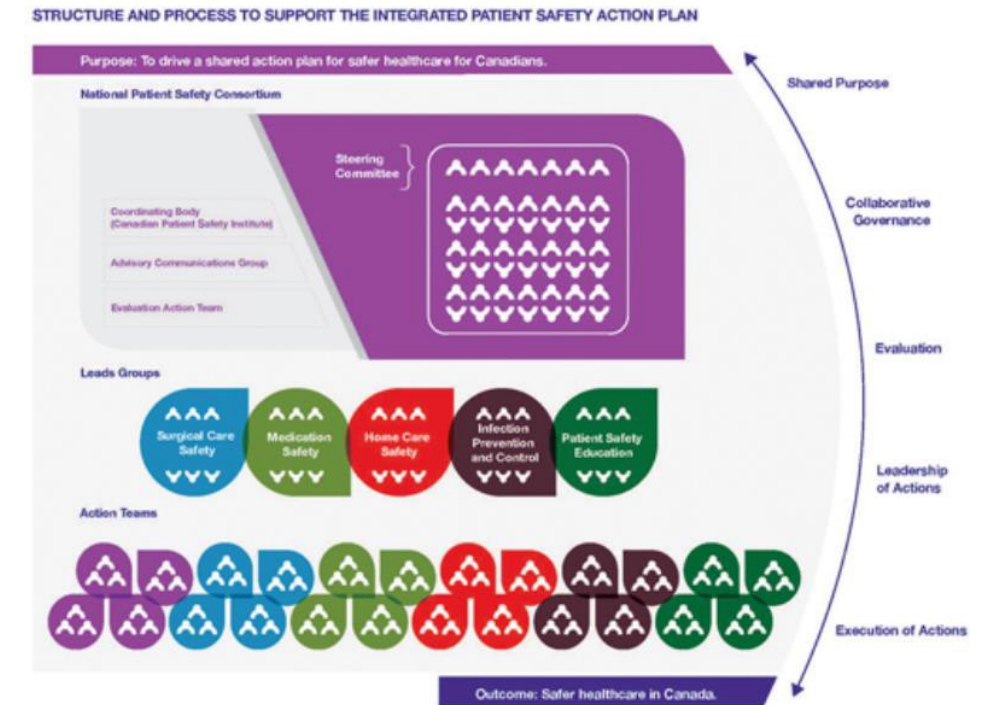

World Health Organization

National Patient Safety Consortium, Action Plan

Patient Safety **RightNow**

What was accomplished?

- Broadened thinking on Pt. Safety in the Home Care field – differences in the home care setting
- Deepened and broader participation of patients in Home Care Consortium work
- Pan Canadian approach to teaching QI Methodology and implementing and evaluating use of evidence based practices in Home Care (Collaboratives Wave I and II)
