Health Workforce Canada: Planning for the Future

Guest Speaker: Lynn McNeely, Director, Data and Planning, Health Workforce Canada

Join us to learn how Health Workforce Canada, a new independent organization funded by Health Canada, is working to address challenges in health workforce planning. Lynn McNeely will discuss the organization's early initiatives to strengthen workforce data and planning by bringing together experts and healthcare providers. This collaborative approach will ensure home care providers have a voice in workforce data collection and the development of strategies to meet both immediate and future health workforce needs in Canada.
